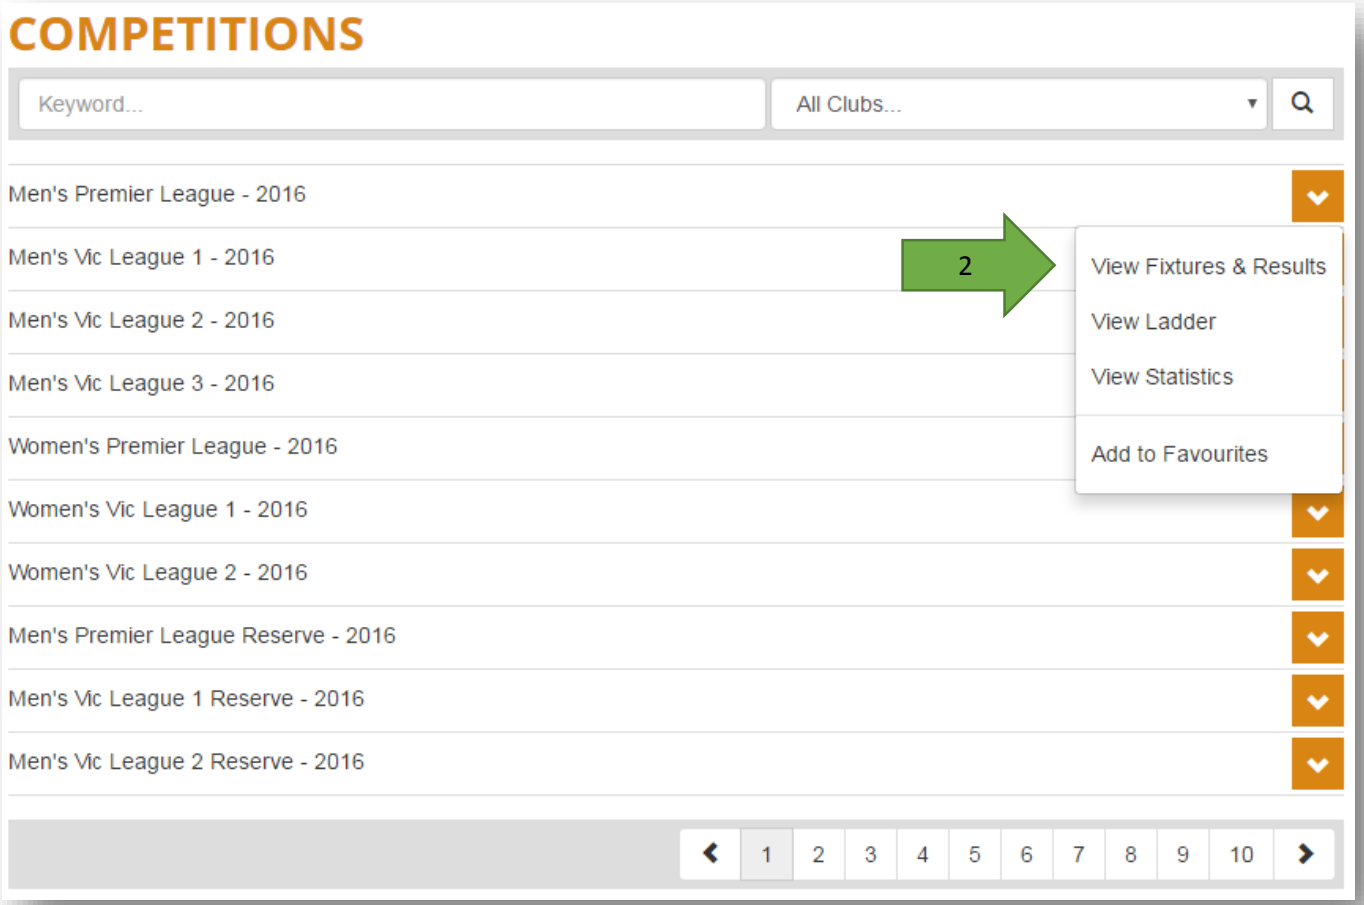
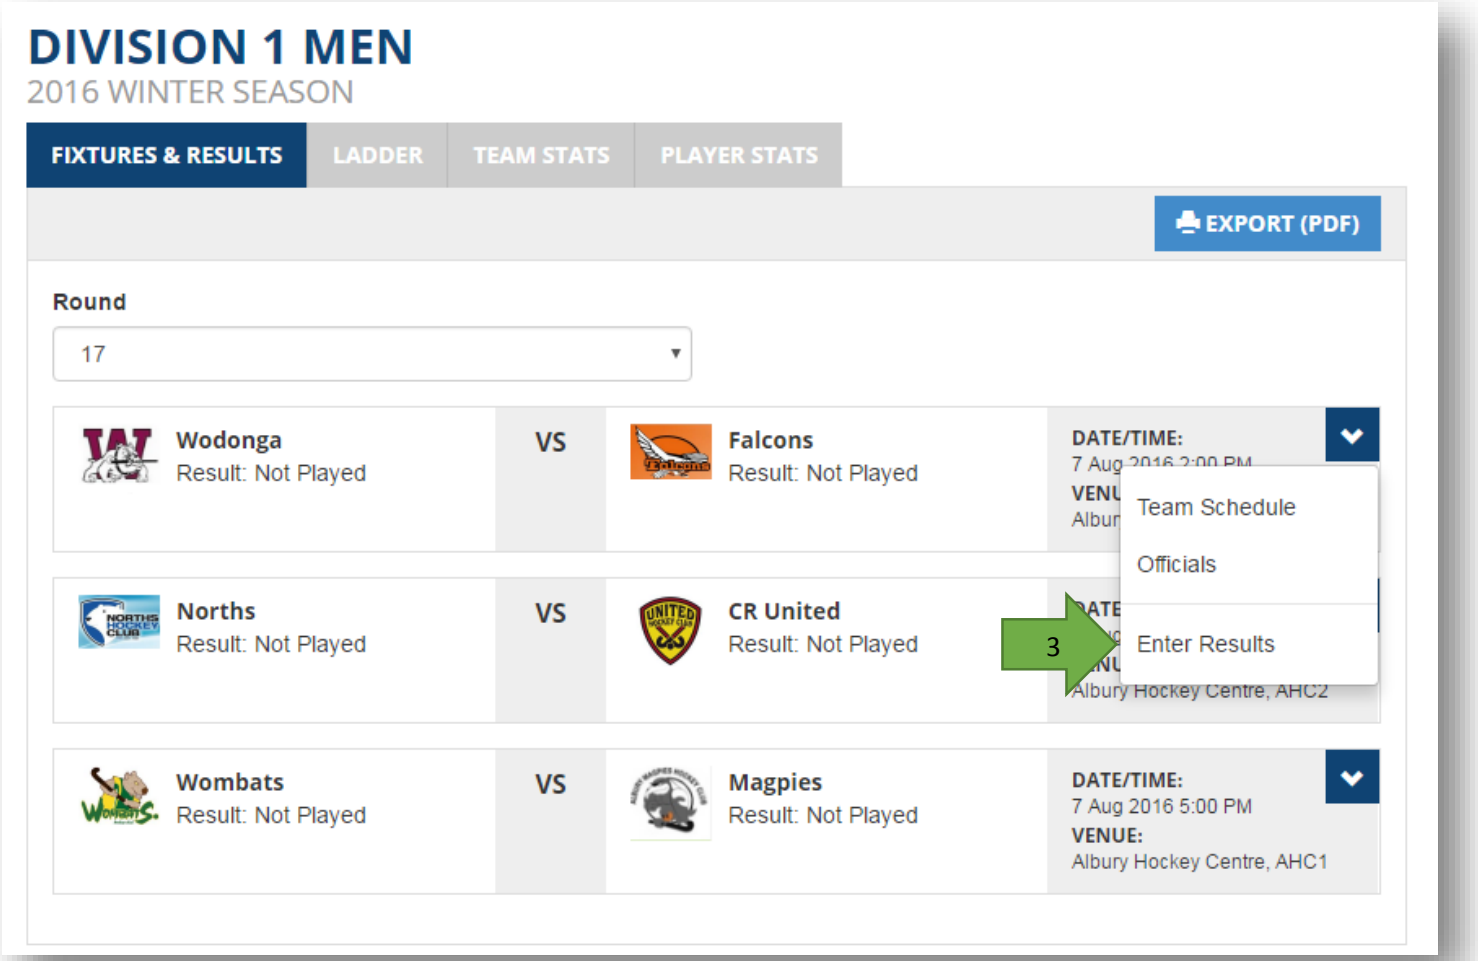
Entering Players into a Team Sheet

Step 1: Go to your Competitions SportsDesq Portal.

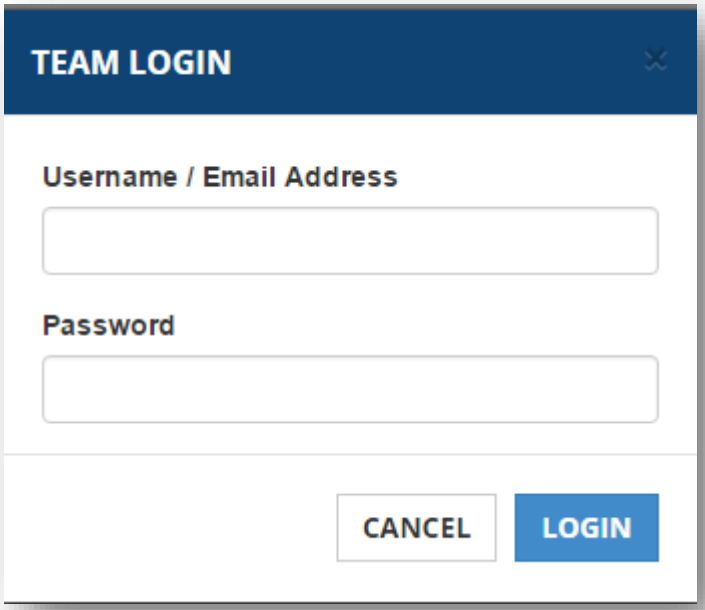
Step 2: Click on View Fixtures & Results in the drop down menu of the relevant competition.



Step 3: For the relevant match, click the drop down menu and select Enter Results.

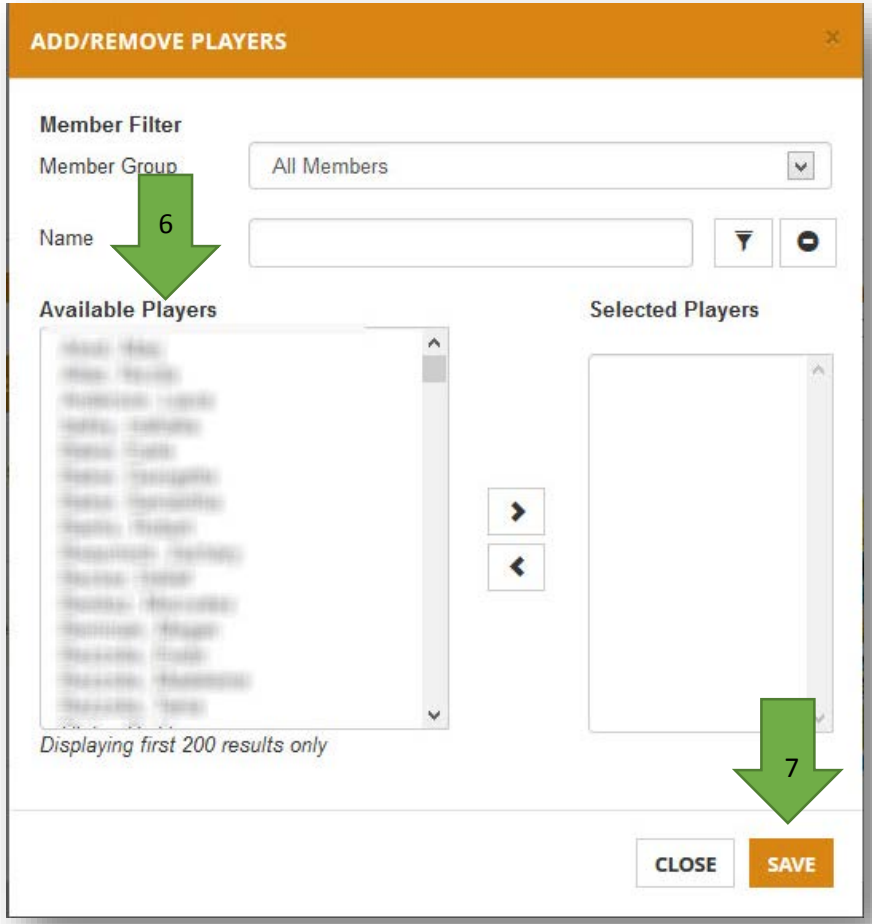


Step 4: Enter username/email address and password. Click Login.



Step 5: In Player Stats click Add/Remove Players.

Step 6: Hold down the Ctrl key on the keyboard and click on the relevant players. Once you've selected all the players, use the right hand arrow to move these players to the team sheet.

Please Note: To ensure efficient loading times, only the first 200 results will display in the 'available players' listing. Please filter by SportsDesq specific groups or use the search option to view additional players.


Step 7: Click Save
